

WHAT IS BELMOND?

Belmond on Clyde is a new and exciting residential land development designed to give residents something extraordinary. Belmond will be a sanctuary for those looking to escape the hustle and bustle of the everyday. Peaceful streets, a picturesque central park, 3.7 hectares of open space, all nestled amongst rolling hills. It's a place that will keep the world at bay and provide a sense of security and privacy.

THE BEST OF BOTH WORLDS

Belmond is a sanctuary located in the fast growing suburb of Clyde and is moments from bustling Cranbourne and Berwick. Residents will enjoy the benefits of living in a select community among rolling hills, lush parks and open spaces, plus easy access to shopping, schools, sports and recreation facilities. It obtains the perfect balance of tranquility without the isolation. For example a trip to the Melbourne CBD takes less than 60 minutes and a trip to the town centre of Cranbourne takes 5 minutes – everything is in reach. Belmond on Clyde will be the future heart of Casey and set the standard in modern living.

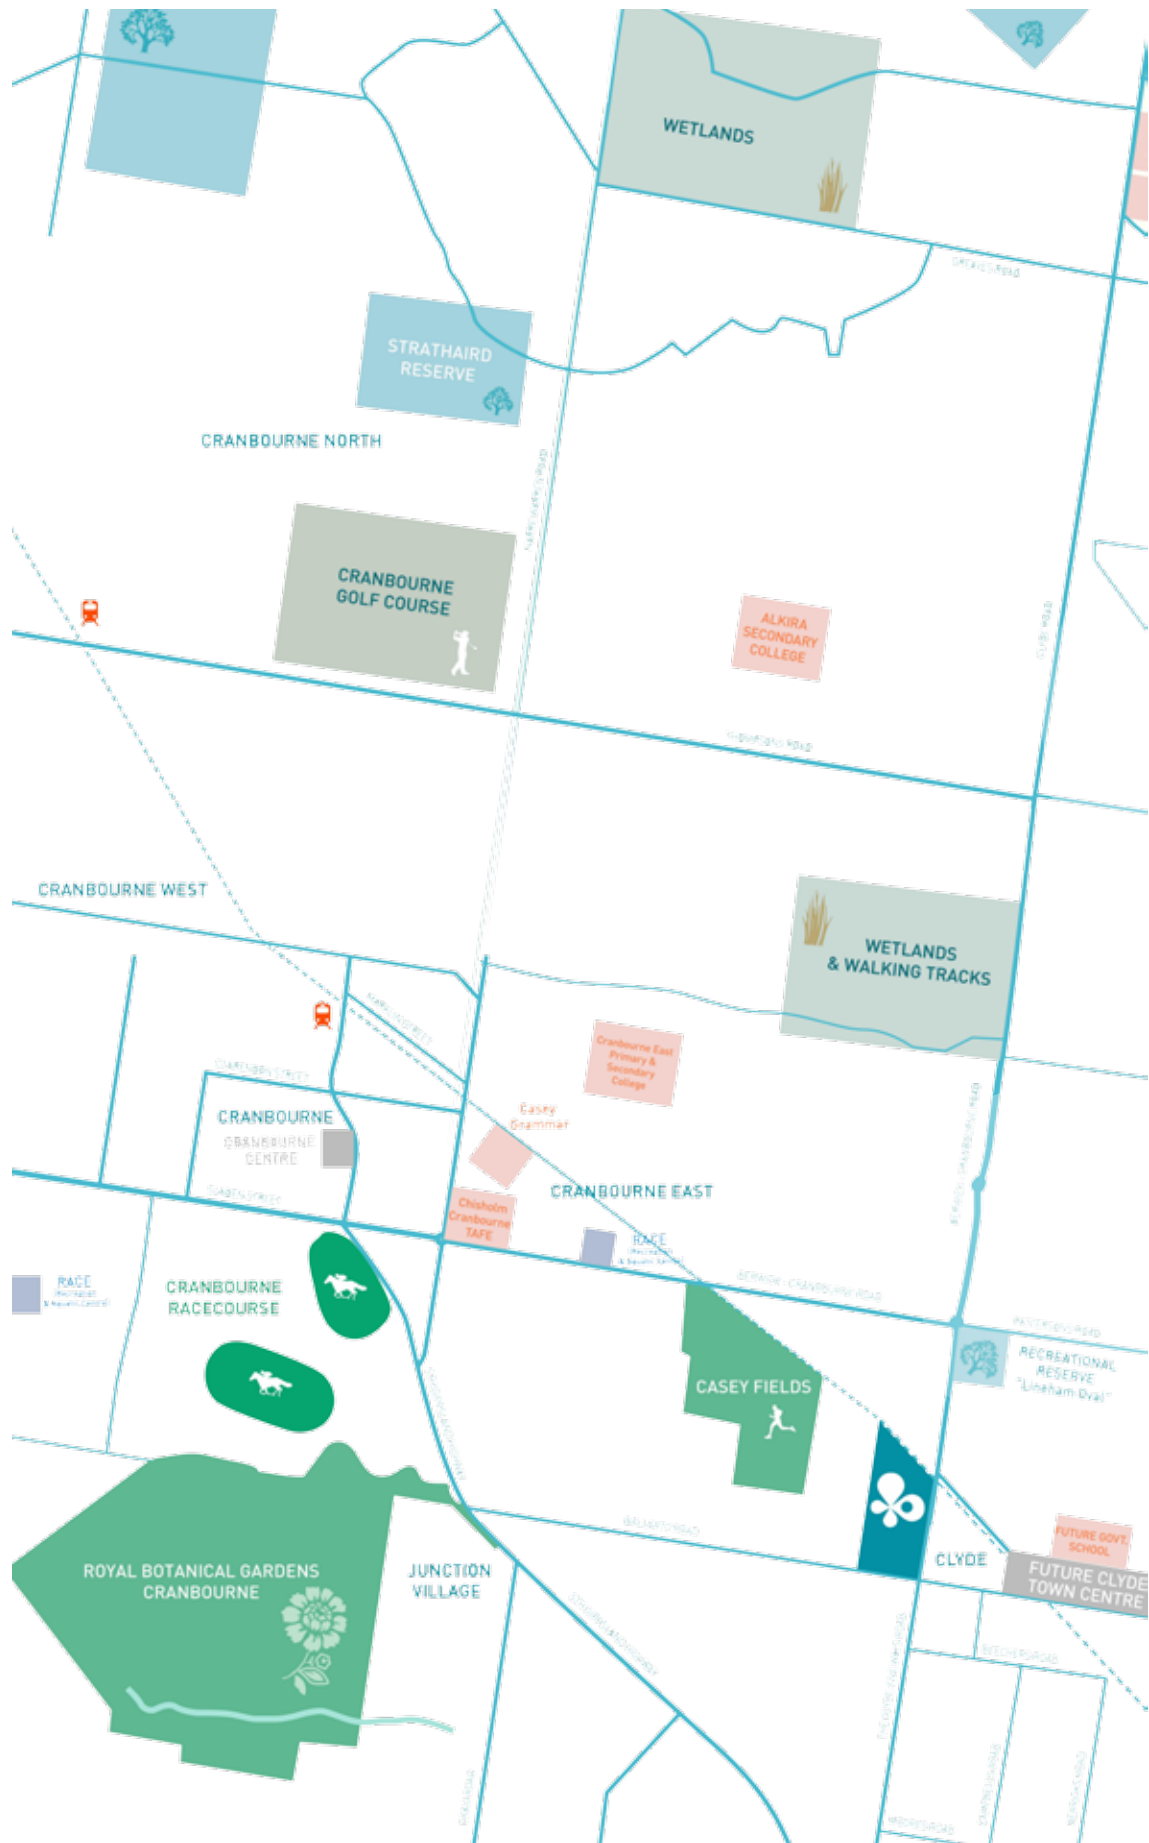

Masterplan on the aerial image is computer generated and not to scale. All details on this plan are subject to approval by the relevant authorities and as such dimensions and other details may vary.

At Belmond the future is just as exciting as the present, and as a resident you'll get to enjoy both. Complementing the existing amenities will be a future retail precinct, shopping centre, schools and railway station, all to be located nearby. Belmond will give you the best of both worlds with peace & tranquility balanced with the ability to access life's essentials. With a wide range of land sizes to choose from, Belmond is set to become the future heart of Casey.
